

David Andrew

Self-Taught Developer · Full-Stack Web

Fredericton, New Brunswick (506) 688-7862 andrebeworkin@gmail.com github.com/andrebeworkin

Self-taught full-stack developer and Kinesiology student at the University of New Brunswick with hands-on experience building modern web applications and software for real clients. Skilled in React, Next.js, and TypeScript with a focus on clean, responsive design, authentication systems, and database-driven features. Open to remote roles, co-ops, and internships — full-time or part-time.

TECHNICAL SKILLS

Languages	JavaScript, TypeScript, SQL, Java, HTML, CSS
Frontend	React, Next.js, Tailwind CSS, shadcn/ui, Responsive Design
Backend & Data	Supabase, SQL & Database Management, REST API Integration, Authentication & User Management
Tools	Git & GitHub, Deployment & Maintenance, AI-Assisted Development, Notion, Zapier, Beehiiv

PROJECTS

Fitness Centre Management Application

[Next.js](#) · [React](#) · [TypeScript](#) · [Supabase](#) · [SQL](#) · [Tailwind CSS](#) · [shadcn/ui](#)

Full-stack gym operations platform for a private fitness centre client, featuring member & client management, trainer scheduling, workout program creation, appointment booking, session logging, progress tracking, and role-based authentication.

[scova.vercel.app](#)

Scova Adventures & Wellness

[Next.js](#) · [React](#) · [TypeScript](#) · [Tailwind CSS](#)

Marketing website for an outdoor wellness brand, built while volunteering with Elevate Beyond Barriers to help a new business launch. Clean, modern brand storytelling across hero, about, audience, offerings, and contact sections.

[ilusik.vercel.app](#)

Ilusik Labrador Expressions

[Next.js](#) · [React](#) · [TypeScript](#) · [Tailwind CSS](#)

Mission-driven website for a Southern Inuit cultural brand focused on reclaiming and celebrating identity, presenting the founder's mission, community offerings, products, and programs.

Small-Business Websites

[HTML](#) · [CSS](#) · [JavaScript](#) · [Responsive Design](#) · [SEO](#)

Responsive websites for local service-based businesses (including an in-progress site for Harris & Son Painters and Snow Removal), focusing on clean design, branding, and ongoing maintenance.
